

Mahtab Foroozandeh

Interaction Designer

988 Quayside Dr, New
Westminster, BC
(778) 325-5722
mahforooz81@gmail.com
[Portfolio Website](#)

Interaction Design student with hands-on experience in UX/UI design, design research, and data visualization. Experienced in working as the sole designer in cross-functional teams, collaborating directly with developers, product managers, and business leads. Skilled in gamification, 3D design, prototyping, and creating user-centered systems focused on engagement, behaviour change, and accessibility.

EDUCATION

Bachelor's of Design in Interaction

Emily Carr University of Art + Design, Vancouver, BC

Sep 2023 - May 2027

EXPERIENCE

Designer | ISM Creatives BC

Vancouver,

September 2025 - Present

- Worked as the designer on a MVP stage medical mobile application.
